3:26 min

12:15 am Nurse Kelly^ Edwards Hospital (Weaver) Emergency room got answering machine.

12:19 am call back

9:50 am called DCFS back 0:34 talked to Kate the appointed case worker, let her know Im recording + she refused to talk to me. I told her I wanted a new case worker that would be okay w/ recording + she said no. so I told her I [redacted] would talk to her superior.

:17 when asking denise (superior) why I cant record.

All informed that being recorded.

14:34 11/23/15 At my house approx. 9:30pm my convo w/ the police officer who came over after I called to report what happened

:42 11/23/15 recorded this after maddy told me her dad put his pee pee in her mouth + it hurt. After she told he touched her, I was concerned about white residue on her vagina so I asked did he touch you w/ his pee or fingers, she said fingers crotch, peepee mouth. + pointed.

4:52 11/23/15 call back to same officer to report more of what I forgot to mention at visit (he's claiming here I was coaching her & saying I initially asked her descriptive details when I simply asked "What happened?" and she said he touched her crotch,

10:54 11/23/15 Edward Emergency Room Nurse Heather, said she's not nurse + transferrs me to Nurse Kelly - I explain the situation. Says she cant give advice on phone, says I should bring her to ER. to collect evidence.
